## TARGET DUMMY SET-UP GUIDE

The Target Dummy comes with:  
1 - Two-Sided Foam Target  
1 - Aluminum Base Stand  
2 - Fiberglass Support Rods.

Open the legs of Base Stand so it stands on it's own.

After Base Stand is Opened insert the two Fiberglass Rods in the two holes on the top of the Base Stand.

Line up the holes in the bottom of the Foam Target Dummy with the two Fiberglass Rods and slide down as far as it will go.

**OPTION:** Remove the three foam circles to see how accurate you can shoot.

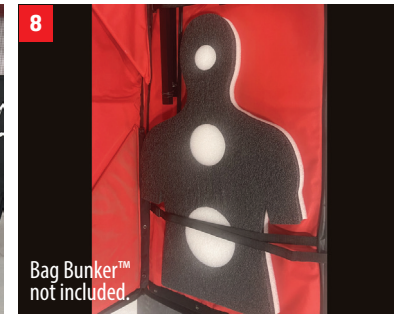

Mask & Costume not included.

**OPTION:** Dress up your Target Dummy with a Halloween mask and old coat for more fun!

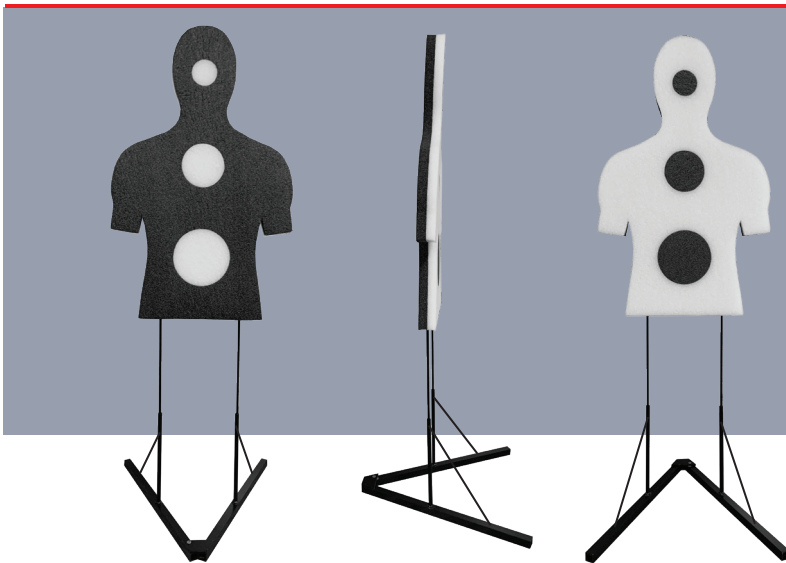

Maverick Mask™ not included.

**OPTION:** Add your Archery Tag® Maverick™ Mask to your Target Dummy for great Extreme Archery practice!

Bag Bunker™ not included.

**OPTION:** When disassembled, the Target Dummy stores easily inside an Archery Tag® Bag Bunker™.
